TREASURER'S REPORT

The Treasurer's report as of May 4, 2010 has been reviewed showing that both the Savings and Checking Accounts agree with the bank balance. It was noted that Dolores transferred \$20,000.00 from savings to checking on February 1, 2010 to cover our 1st PennVest payment in the amount of \$17,883.41 which will be taken from our checking account on February 1, 2010. On February 2, 2010 we received our final hold back monies in the amount of \$42,767.99. On February 16, 2010 Dolores transferred the \$20,000.00 back to the savings account.

We will continue to request direct deposit from DTMA for the monthly lease payments. Dolores will need to adjust principal and interest payments for Feb, Mar. and April 2010 payments made prior to our final amortization schedule. Dolores will check with Laura Power, DTMA, to make sure their balance and our balance are in agreement.
